TCSA BLUE shoots its home matches at TCSA, GRN at BCSA, and MARA at Binghamton Rifle Club.

You will travel to the range where your team name appears for that specific week. For example, on Week #1, NMIL will travel to the Binghamton Rifle Club to shoot against Bin1.

The home team is responsible for running the range, ie. Range officer and target changing. CF slow fire will be 5 shots per target. All others (.22 and CF timed/rapid) are 10 shots per target.

All shootoffs for tie-breaker positions at the end of the season will take place the Friday after the last scheduled IPA match at a neutral range.
