TCSA Blue shoots its home matches at TCSA, Greene at BCSA, and BIN1, BIN2, and Marathon at Binghamton Rifle Club

You will travel to the range where your team name appears for that specific week. For example, on the week of Oct.1 (week #1), BIN1 will travel to the NMIL range.

The home team is responsible for running the range, ie. Range officer and target changing.  
CF slow fire will be 5 shots per target. All others (.22 and CF timed/rapid) are 10 shots per target.

All shootoffs for tie-breaker positions at the end of the season will take place the Friday after the last scheduled IPA match.
